CORAM : H.L GOKHALE &
SMT.R.S.DALVI, JJ.
DATED : 21st July 2005

P.C. :

1. This petition seeks to challenge the communication dated 9th December 2003 by the Deputy Director of Education, Nashik, which informs the Headmaster of the 1st petitioner-Institution that the Government has granted permission to start only one school though with two mediums in the 8th standard. This is for the Government to decide after making the necessary inquiries. This is because it is the grants given by the Government which are involved. If the 1st petitioner-Institution

does not want Government's grants, it is another matter. However, if the 1st petitioner-Institution has any material to show that there is adequate number for the two mediums, that there are altogether separate teachers, facilities, buildings etc. then it will be open to the 1st petitioner-Institution to bring it to the notice of the Authorities and the Authorities may look into it at that point of time. As of now, we do not find any error in this communication. It is purely an administrative decision.

2. Petition is dismissed.
